Dear Ms. Kennelly:

I am writing this letter to you on behalf of myself and all other persons who are experiencing the same situation.

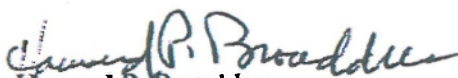

I retired from the Federal Government in October of 1986 after successfully completing over 40 quarters to qualify for Social Security benefits. I paid into my retirement fund as well.

You will recall a law enacted by Ronald Reagan in March of 1986 that addressed the "double dipping" issue. This is why I am assuming that my retirement was taken away from me.

B6 I fail to see the correlation between receiving social Security benefits and receiving Retirement for which I worked most of my life to receive. My retirement paid at over \$ [REDACTED] a month, was taken away and only my Social Security remains at a little over \$ [REDACTED] (Please see enclosed statement.) I have not been "double dipping" into the same fund for my benefits! My retirement was separate from my Social Security and I paid into both accounts separately for years.

I would greatly appreciate anything that you can do to look into this situation. My problem is not unique in that many other retired American citizens are also suffering. Social security is not enough to call a living, and that is why I paid into, and expected my full retirement benefits.

Sincerely,

Howard P. Broadus

Dear Senator Allen:

I realize that you are an extremely busy man, but several years ago you granted me a Pardon in the State of Virginia and once again I am soliciting your help. I urgently request a Pardon from the United States Government. The trouble that I was pardoned for initially was not a serious crime, but one in which I felt I was being helpful. I regret the decisions that I made.

B6

With all that is going on in our country right now I hate to burden you with this, but would appreciate anything you can do to pardon me. I am able to vote for governmental officials, including the President, however cannot do anything else federally related.

Let me also take this opportunity to thank you for everything that you have done for the Coast Guard. I have been on their ships now and it is a wonderful improvement from the vessels that were not trustworthy to be on the ocean years ago. (We always managed to get there however.)

I understand that there are no funds appropriated for an investigation, however since I was pardoned in Virginia, any further investigation should not be necessary.

Please Senator Allen, I implore your help. I need to be an individual again like everyone else. I am a highly respected man of my community with a well-respected family heritage. The rest of my life lies directly in your hands. Thank you.

Sincerely,

Howard P. Broadus

Dear Senator Allen:

This responds to your letter of February 13, 2003, requesting assistance for your constituent, Howard P. Broaddus, regarding a presidential pardon.

After reviewing the information provided by Mr. Broaddus, I am enclosing the form he should use in applying for a pardon.
